DRAGONS CHALLENGE

EASTER WEEKDAY 2023

Over the past 13 seasons, CST has hosted numerous UK Junior clubs and School teams, offering a unique and wonderful experience playing versus local French teams and enjoying the local French hospitality and culture.

CST has come together with the French Federation, Catalans Dragons and local partners to make sure your tour is a wonderful experience to remember, not only for the kids, but for the mums and dads also.

The Dragons International Challenge is played each year in Perpignan the home to the Catalans Dragons Super League team and is the biggest Rugby League tournament in France hosting over 30 clubs and over 200 teams of all ages, from all over France, making it an extravaganza of Rugby League.

Perpignan is based in the South of France, just a couple of hours North of Barcelona, surrounded by the beautiful Pyrenees mountains and also on the coast of the Mediterranean Sea, so the best of both worlds.

The tournament takes place during the Easter school holidays and perfect for all junior teams (age groups from 7's to under 14's) Trophies and players medals to be won.

PLEASE NOTE :

For the flights, you will need to add an average of £160 - £200pp.

This will depend on how early you book and the number of travelers.

We offer you the choice to book the flights yourself and save money via low-cost airlines or you can book via our flights partners.

Coach or rail transport may also be an option you would need to be quoted or ask your local club coach operator.

TO GET BOOKED : all we would need are the dates of the tour, age of players, numbers of the tour group, club name and contacts and a £50pp deposit.
